2. Online Examination System

C Program

```c
#include <stdio.h>

int main() {
    int answered, time, submitted;
    scanf("%d %d %d", &answered, &time, &submitted);

    if (answered >= 1 && time > 0 && submitted == 0)
        printf("Submission Allowed");
    else
        printf("Submission Not Allowed");

    return 0;
}
```
